

# ZERODAY

TECHNOLOGY SOLUTIONS

## WIRELESS: GET THE MOST OUT OF YOUR WIRELESS NEEDS

Team ZDTS can provide all your Enterprise Mobility Management needs. We developed a Mobility Operations & Support Team - the MOST Team - specifically designed to service our clients with white-glove solutions and industry-leading processes. Your MOST team will ensure all technologies work flawlessly together and manage all mobile devices, wireless networks, and other mobile computing services.

ZeroDay has a wide range of specialty abilities in the Enterprise Mobility Management arena and we offer services ranging from simple predictive & active surveys to complex services such as a complete Wireless Infrastructure Managed Services. We even offer small cell integration, hyper location, and Distributed Antenna System services. When it comes to Mobility, we are the experts and look forward to being a trusted advisor within your organization.

**Bottom Line:** Our goal is to create, build and maintain long-lasting business relationships that outlast the technology. We are **TECH DRIVEN | PARTNERSHIP POWERED**

follow our journey  

# CONNECTIVITY

We connect you with your multitude of technologies and information in a meaningful way.

## Mobility

We provide services focused on connecting people, technology and devices across a variety of wireless networks and computing services in order to harness the power of cloud technology to increase connectivity between mobile devices and users.
